## Product Overview

The Schlage Latitude Satin Nickel Hall and Closet Lever is perfect for use on attic, basement, hall and closet doors where locking is not needed. It's also a handy device for unlatching entry doors when your hands are full. The passage lever offers a crisp perspective on minimalist design with its clean lines and rectangular features, and is especially popular in our versatile Satin Nickel finish. Plus, it's been designed and tested with strength and durability in mind, protected by a lifetime limited warranty for decades of dependable use.

- Guaranteed to fit on existing, standard pre-drilled doors
- Use with 1-3/8 in. to 1-3/4 in. door thickness
- Always unlocked for ease of entry
